

HSI WEBSITE - CEO WELCOME LETTER

Greetings and Welcome to the Habilitative Systems, Inc. website! HSI is a nationally-recognized human services agency that uses a continuum of care approach to provide much-needed programs to underserved populations and people living with an array of health and human service needs.

Headquartered on the west-side of Chicago, Illinois, HSI has offered behavioral and mental health services to Chicago's neediest citizens since 1978. Through the commitment of our employees, volunteers and donors, HSI's programs and supportive services have vastly improved the lives of Chicago's most disadvantaged and vulnerable residents in the North Lawndale, West Garfield, Austin and Englewood communities.

In 2018, Habilitative Systems, Inc. will celebrate its 40th anniversary. We recognize that our longevity is due in no small part to the vision, hard work, and determination of our founders, and while we are proud of HSI's rich history, we also know that our work is not done. We must continue to forge new pathways for future generations, and maintain HSI's legacy of excellence and service in the community. The highly-anticipated opening of The Westside Triage and Wellness Center in Spring, 2018, is just one example of HSI's commitment to address the need for expanded mental health programs, addiction treatment and prevention, and trauma-related services.

We're glad that you've taken a moment to visit our website and we hope that you'll take a tour of the comprehensive client services and programs that we offer. You'll see information about our housing for seniors and people with disabilities, our educational affiliations and employment opportunities, and you'll learn about the history of HSI's social entrepreneurship programs.

You may find services that can be of great assistance to you or someone you know, and you will also see that you can make a meaningful difference in the lives of those we serve whether you are looking to volunteer your time or talent, or donate to one of our programs.

Please take some time to learn more about us. If you have questions or need to talk with someone directly, please call our main office at 773-261-2252 or TDD at 773-854-8364.

Thank you and God Bless,
