“At HSI, our prevailing mission is Freeing the Human Spirit.”

HABILITATIVE SYSTEMS INC. is among the largest African-American managed, not-for-profit health and human services organizations in the Chicago area. At 15 sites, HSI operates 40 vital programs that span the entire life cycle of the thousands of clients served. Among those programs are day-care, alcohol and drug rehabilitation, vocation and job-training, teen parenting, troubled teen outreach programs, ex-offender re-entry programs, child abuse and neglect prevention services, residential homes for the disabled and mentally impaired, and shelters and food pantries for the homeless.
